

Local People. Local Tools. Local Power.

GroundUp Event

A one-day, hands-on event focused on financial independence, local innovation, and real-world tools.

Big ideas usually skip small towns. GroundUp doesn't

- Economic resilience
- Financial & data independence
- Building sustainable communities from the ground up

Why GroundUp?

It's designed to strengthen local economies and support small businesses & builders, bring practical financial and technology tools to Chickasha while keeping the value local.

 **17 March 21, 2026**

 **University of Science & Arts Ballroom
Student Center 2nd Floor**

Attendee fee includes access to GroundUp meetups
